Unit Height	106	107	110	106
Sq.Ft. Floor Space	16	20.6	18	18

STAT [redacted] have listed here a few statistics which apparently did not have when she initially submitted her order. My statistics may in some ~~degree~~ respects from hers as I obtained them from the vendors at a date later than the published literature. As I mentioned earlier today I think the shelf be put out for bid. The prices here reflect the basic unit and the cost per filing inch will vary depending upon accessories requested.
